

Cheese Ball

These measurements are a guide only, measure this by feel! Throw in what you want 😊

250g grated matured cheese (extra 'sharp' or extra tasty)
150g grated mild cheese
250g cream cheese
3 spring onions finely chopped
1 pkt of chives finely chopped
½ red capsicum finely chopped
4 slices of shaved ham finely choppe
Few sprigs of parsley finely chopped
6 pickled baby cucumbers finely chopped
1 large pickled onion, finely chopped
2 tbsp mayonnaise
2 tbsp tomato sauce
Good dash of Worcestershire sauce

Coating

Sweet paprika
Keen's curry powder

1. Combine all ingredients in a large bowl
2. Shape into 3 large balls
3. In a tray, combine equal amounts of paprika and curry powder
4. Roll the balls in the coating and keep refrigerated until serving.

NOTE

I always dry the 'wet' ingredients on paper towel before adding to the bowl (capsicum, pickled onion and cucumber)
